May 31 - June 4, 2010

Math

This week students will practice: identifying the location of a point on a coordinate plane; graphing points on a coordinate plane; and rounding numbers to the nearest thousand. Fact assessments will be given on Wednesday and Friday. Written assessment will be given on Thursday.

**Please check your child's homework each night and help him/her correct any mistakes.

Reading

This week students will review story selections from the second grade reading books. Each student will select a story and make a "Book Burger" book report.

Social Studies

This week students will read about the roles of producers and consumers in the community. Students will learn how money is traded for goods.

Bible

We will finish our unit on The Lord's Prayer. Students will be given a fill-in-the-blank memory test on Thursday.

**Our Father in heaven, hallowed be your name.
Your kingdom come. Your will be done on earth as it
is in heaven. Give us this day our daily bread. And
forgive us our debts, as we forgive our debtors.**

**And do not lead us into temptation, but deliver us
from the evil one. For yours is the kingdom and the
power and the glory forever. Amen.**
