Parent/Guardian Statement of Faith

The Clergy Recommendation helps SJCS gain an understanding of your spiritual habits, but parents may choose to submit their own written statement of faith in place of the Clergy Recommendation. In your statement, please cover the following (use more paper if necessary):

1) Discuss the religious sentiments and practices in your household.
2) Discuss the spiritual goals you have for your son or daughter.
3) Discuss how you see San Jose Christian School helping you achieve those goals.
